**Re: D.T.E. 03-50**

Dear Secretary Cottrell:

In accordance with the Department's January 14, 2000 Order in D.T.E. 99-271, enclosed are copies of the revised New York State Carrier to Carrier ("C2C") Guidelines, including redline documents to mark the revisions. These Guidelines were filed with the New York PSC on November 13, 2003 and a copy of the Order was filed with the Department November 4, 2003. As noted in Verizon New York's November 13, 2003 filing of the revised Guidelines "...although the October Order at 17 directs Verizon to file Appendix N within 45 days of the date of the order, Verizon will not be filing that appendix due to the fact that it was eliminated by consensus. (See October Order, Attachment 1, at 34.) Please note that Verizon NY also renumbered the BI metrics so that they will appear in sequential order. BI-3-06, which exists only in New Jersey, has been marked as 'Not In Use in Verizon North.'" Modifications to the C2C Guidelines contained in this filing will be implemented for the January 2004 reporting month.

Thank you for your assistance to this matter.

Very truly yours,

Bruce P. Beausejour
